

September 26, 2017

FCC
Washington DC

To Whom it May Concern:

SyberJet is applying for an experimental FCC license for a GPS repeater antenna for our aircraft hangar. The GPS is used to support development and certification activity on our experimental flight test aircraft as well as other aviation related research and development programs.

If you have any questions please feel free to call me.

A handwritten signature in black ink, appearing to read "Mark Fairchild".
