Dear Mr. Huie:

In our telephone conversation earlier today, you indicated that you needed the pulse width and PRF of our radar system to complete the application:

We are planning to operate with 4 different waveforms. Thewse are summarized below:

Waveform	Pulse width (microseconds)	PRF (Hz)
1	0.32	1270
2	4.16	1270
3	16.38	1270
4	131	1270

If you need any additional information, please feel free to contact me either by telephone or E-Mail.

Thank you for your assistance .
