Subject: Request for Info - STA File # 0648-EX-ST-2005

Message:

STA applications 0647-EX-ST-2005 and 0648-EX-ST-2005 look very similar, but with overlapping test periods. Explain this discrepancy. Is only one application necessary? If so, which one?

The STA application(s) replace the request filed under 0321-EX-PL-2005, correct? Can 0321-EX-PL-2005 be deleted from the system?

The exhibit labeled "Antenna Beam" was submitted in an unreadable format. Resubmit this exhibit.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 03, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
