Sorry for the confusion. We are only applying for the STA, based on an earlier message from your office suggesting the STA be more appropriate.

You can delete the application 0321-EX-PL-2005.

The STA that applies is 0648-EX-ST-2005.

Thank you for your patience!

Request for Info - STA File # 0648-EX-ST-2005 [Reference Number: 3995]

STA applications 0647-EX-ST-2005 and 0648-EX-ST-2005 look very similar, but with overlapping test periods. Explain this discrepancy. Is only one application necessary? If so, which one?

The STA application(s) replace the request filed under 0321-EX-PL-2005, correct? Can 0321-EX-PL-2005 be deleted from the system?
