DISMISSED-WITHOUT PREJUDICE

Dear Mr. Doughty,

This refers to application, File No. 5003-EX-PL-95, for an Experimental Radio License.

You are advised that the Commission is unable to grant your application for the facilities requested. The frequency band 1450-1650 MHz is allocated for use by aviation, maritime, and satellite communications services and cannot be used for experiments as proposed.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. John Morgan', with a stylized flourish at the end.
