Subject: Request for Info - File # 0043-EX-PL-2006

Message:

This application appears to be asking for the same exact technical parameters that were approved for station WA2XYL, for which the most recent application was 0095-EX-RR-2004. That application does not expire until 9/1/2009. What is the purpose of the current filing?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 01, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
