Subject: Request for Info - File #0580-EX-PL-2006

Message:

Submit a narrative statement describing in detail the program of research and experimentation proposed, the specific objectives sought to be accomplished; and how the program of experimentation has a reasonable promise of contribution to the development, extension, or expansion, or utilization of the radio art, or is along lines not already investigated.

Also submit a description of the design and operational strategies the satellite system will use to mitigate orbital debris in accordance with 47CFR5.63(e) and any documents showing coordination of the satellite system.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 11, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
