Re: Amendment of Pending Application for Part 5
Experimental Authorization, File No. 1728-EX-PL-90

Dear Mr. Wright:

Yesterday, on behalf of our client, Texas Instruments, Inc., we filed an amendment to a pending application for experimental authorization, File No. 1728-EX-PL-90. We have since discovered three clerical omissions or errors in the application (in Items 4 and 6). Because we want our filing to be completely accurate, we have enclosed replacement pages 1 and 2 of Form 442.

Respectfully,

Carl R. Frank
Counsel for
Texas Instruments, Inc.
