To Whom It May Concern:

This is to certify that:

Texas Management Group, LLC is deploying and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Texas Management Group, LLC in a controlled environment.

Texas Management Group, LLC will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Texas Management Group, LLC has extensive RF experience and expertise deploying RF networks and has several RF engineers on permanent staff.

For the above reasons, I believe Texas Management Group, LLC meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Scott McAuley
President/CEO
Texas Management Group, LLC
