Re: University of Texas at Dallas
Application for Experimental Authority

Dear Sirs:

Enclosed for filing, pursuant to Part 5 of the Commission's Rules, is an application by the University of Texas at Dallas ("UT") on FCC Form 442 for experimental authority to operate an educational and experimental low power radio telephone system on the Cellular Block A frequencies. As discussed in the application, UT will fully coordinate its operations with the cellular carrier operating in the area.

UT has enclosed a completed FCC Form 155, designated "EAE," and a check made out to the Federal Communications Commission in the amount of \$35.00. If you have any questions concerning this application, please contact the undersigned at (202) 828-3182.

Respectfully submitted,

Eric W. DeSilva
