DISMISSED-WITHOUT PREJUDICE

Dear Matt White,

This refers to application, File No. 0085-EX-ST-2016, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Army has numerous 24/7 training and operational missions, both airborne and on the ground, at Fort Huachuca and Yuma Proving Grounds. Harmful interference is anticipated, to all airborne missions using frequencies within the requested band, due to emission bandwidth and power of the Thales equipment.

Responses to this correspondence must contain the Reference number : 30976
