conversation with Richard Neat (ARINC), August  
15, 1991, same subject  
c. Our letter, 4-7700-STJ-91-283, April 1, 1991,  
Subject: Application for Experimental License  
- SITA ACARS; FCC File Number: 1915-EX-PL-91

Dear Mr. Wright,

Request you add the following site to our License Application,  
reference (c), as discussed, reference (a):

5 (b): State: WA  
County: King  
City: Seattle  
Building 3-390, Boeing Field International Airport  
5 (c): North Latitude: 47° 32' 31"  
West Longitude: 122° 18' 44"

The transmitter equipment at this site will be identical to  
that in the originally application, reference (c). This  
request has been telephonically coordinated and concurred with  
by ARINC, reference (b).

This site needs to be licensed as soon as possible so that  
equipment can be ordered from SITA to be installed and  
operational prior to September 15, 1991

Should you have any questions or desire additional information,  
please contact Stan Jenkins at (206) 393-2914.

  
D. L. Barney  
Frequency Manager
