

**TRK 190044 (NG T190058) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T190058       |
| Frequency             | M1033.0000       |
| City                  | PAX RIVER        |
| State                 | MD               |
| Transmitter Radius    |                  |
| Transmitter Latitude  | 381717.00N       |
| Transmitter Longitude | 0762459.00W      |
| Antenna Height        | 0000             |
| Receiver Latitude     | 381717.00N       |
| Receiver Longitude    | 0762459.00W      |
| Service Type          |                  |
| Equipment Type        | G,AN/ARN-153     |
| Antenna Type          | BLADE            |
| Flight Level          | 400              |
| Runway Number         |                  |

**TRK 190043 (NG T190057) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T190057       |
| Frequency             | M1033.0000       |
| City                  | PAX RIVER        |
| State                 | MD               |
| Transmitter Radius    |                  |
| Transmitter Latitude  | 381717.00N       |
| Transmitter Longitude | 0762459.00W      |
| Antenna Height        | 0000             |
| Receiver Latitude     | 381717.00N       |
| Receiver Longitude    | 0762459.00W      |
| Service Type          |                  |
| Equipment Type        | G,AN/ARN-153     |
| Antenna Type          | BLADE            |
| Flight Level          | 400              |
| Runway Number         |                  |

**TRK 190045 (NG T190059) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T190059       |
| Frequency             | M1049.0000       |
| City                  | PAX RIVER        |
| State                 | MD               |
| Transmitter Radius    |                  |
| Transmitter Latitude  | 381717.00N       |
| Transmitter Longitude | 0762459.00W      |
| Antenna Height        | 0000             |
| Receiver Latitude     | 381717.00N       |
| Receiver Longitude    | 0762459.00W      |
| Service Type          |                  |
| Equipment Type        | G,AN/ARN-153     |
| Antenna Type          | BLADE            |
| Flight Level          | 400              |
| Runway Number         |                  |

**TRK 190046 (NG T190060) Summary**

| Attribute             | Record Parameter |
|-----------------------|------------------|
| Serial Number         | NG T190060       |
| Frequency             | M1049.0000       |
| City                  | PAX RIVER        |
| State                 | MD               |
