Subject: Request for Info - File # 0866-EX-ST-2021

Message:

NASA requests the applicant provide additional information concerning the modulation and signal formatting used for this system. Information provided previously does not support an emission bandwidth of 5 MHz, so NASA would like to understand what changes were made to the system in order to accommodate the updated emission bandwidth value.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 16, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
