Pittsburgh, PA. 15251-5315

Subject: Application for Experimental License
(T/CAS), Mansfield, WA.

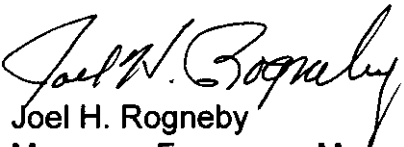

Gentlemen:

The enclosed FCC Form 442 is submitted to obtain an Experimental license to conduct development and certification testing of Traffic Alert/Collision Avoidance (T/CAS) at Mansfield, WA. to satisfy Federal Aviation Administration certification requirements. Support for this requirement was previously issued under FCC Experimental License: KK2XBK (FCC File: 1770-EX-R-95)

Test configurations agreed upon by the Seattle ARTCC as noted in Exhibit 2 to the enclosed 442 will be used.

Similar testing was conducted at Everett, WA., but was discontinued to ensure commercial air traffic was not affected by the testing.

If you have questions or require further information, please contact Bob Douglass at (253)657-6421 or e-mail bob.douglass@boeing.com
