Ben

Sorry for taking so long but customer just responded back. Go ahead and delete that band.

Thanks

Mr. Gilman,

I have received the coordination back for 406.5-445 MHz, but 1120-1128 MHz band is still pending and there is a possibility that NTIA may request for an NGT number. If there is no need for this band please let me know so I can finalize granting this application.

Thank you

Ben
