Subject: Application for Experimental License to support
Traffic Alert/Collision Avoidance System (TCAS) Testing
Long Beach, CA – AF Contract F33657-95-D-2026

Gentlemen:

The enclosed FCC Form 442 is forwarded for your action. This license will be used to support Boeing's testing of TCAS Line Replaceable Units (LRUs) at our facility in Long Beach, CA. This testing is to be conducted in support of the manufacture of C-17 aircraft under Air Force contract F33657-95-D-2026.

Use of this license is needed as soon as possible. Please keep this office advised of any delays or problems in processing.

If you have questions or require additional information, please contact Jim Olson at (652) 797-1083 or e-mail james.m.olson@boeing.com.
