Subject: RE: FCC File No. 0172-EX-PL-2006

Hi Ben,

Please use 20M0G7D for all of the 902-928 MHz portions of the application.

I am providing my full contact information below for your future reference.

Thanks for working on the application backlog.

Importance: High

Mr. Zappala,

Pursuant to your application No. 0172-EX-PL-2006, for the following frequency bands 902-928 MHz requested, instead of "20M0WXX" please provide a more specific emission designator rather than "XX".
