San Antonio, TX 78216
dwells@SJ30jet.com

We request that the FCC add the following to your license:

"Renewal of this License is subject to prior coordination with AFTRCC Frequency Advisory Committee, PO Box 200547, Cartersville, GA 30120-9010, Telephone (770) 494-2893."

AFTRCC recommends the FCC add the following restriction(s) to the grant of this authorization:

Coordination with Sino Swearingen Aircraft Corporation is required prior to start of testing. Contact Mr. David Wells (above).

This recommendation is advisory only and not binding on the applicant or the FCC. This does not constitute a judgment that a frequency is best suited to the applicant's purpose nor that the assignment is exclusive to the applicant. In utilizing this recommendation, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives in any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

This recommendation will be valid for 90 days from the date of this letter. An updated letter should be requested if your license application has not been filed with the FCC within the 90-day period.
