Message:

Mr. Thorsheim,

As your response, the requested frequency band on the application will not be used a whole band for experiment; some of them can be excluded. Please let me know your company will use frequency band 73-75.4 MHz on experiment or not; if not, please send me a statement to exclude it; otherwise, I will send them to NTIA for coordination.

If you cancel the frequency band above, your current requested frequency bands will be 50-73 MHz and 75.4-87.9875 MHz with ERP 36.3 W. Please confirm this information also.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 23, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
