**Federal Communications Commission
Experimental Licensing Branch
445 12th Street, S.W., Room 7A-321
Washington, D.C. 20554**

Pursuant to Section 5.77(a) of the Commission's rules, this letter provides notification that The Boeing Company intends to operate a new antenna type as part of the experimental authorization, call sign WE2XDV, and file number 0202-EX-RR-2013.

The new antennas to be added to this experimental operation are the TECOM model KuStream 1500, General Dynamic's 18 inch model. All terms and conditions of the license, as well as the stated program of experimentation will be adhered to, including the license power, emissions, and antenna spectral density requirements outlined in CFR 47, Part 25.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron E. Center", written over a horizontal line.
