

Exhibit Three

NATO AWACS Mid Term Mode Select Upgrade Testing

Area(s) of Operation

E-3A Platforms will act as interrogators (1030MHz) where the Target Platforms will respond (1090MHz)
Areas of operation are close approximations and mirror coordinate data listed on each of the Profile
diagrams provided as enclosures.

Profile	Platform	Orbit	Flt Lvl	Orbit Area	
1	E-3	1	290	451000N1251700W	450200N1250500W
