Message:

Mr. Center,

The frequency band 15.7-17.7 GHz is used for military operation only. If your company would like to use this frequency band for experiment, please submit the military contract number and military point-of-contact. Otherwise please choose the different frequency band.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 20, 2010 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
