Message:

Please submit the following information:

1- The frequency band 225-400 MHz is used for US Military operations only. Boeing needs to submit the US Military contract number and Military point of contact for request to do this experiment.

2- For request a confidential documents, please follow these steps:

- a) Using form 0459 and answer all questions (Confidential Statement)
- b) When your company submits the "Technical Description" as confidential documents or any documents that your company request to hide in public , please DO NOT include FREQUENCIES, LOCATION and STOP BUZZER (POINT-OF-CONTACT) because these information must be in form 442 and they will show in public. As FCC Rules, confidential contains ONLY confidential parts.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 22, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
