REASON FOR MODIFICATION

The purpose of this renewal/modification request is to renew FCC Experimental License WF2XVR for an additional two years to support the operation of a maritime Automatic Identification System (AIS) transponder for developing and testing AIS receiver software at locations to include St. Charles, Missouri; Vandalia, Illinois; and Galveston, Texas; and to revise the current Stop Buzzer POC information.

DATES OF OPERATION

August 1, 2015 for 24 months

STOP BUZZER CONTACT INFORMATION

The designated point-of-contact to terminate transmissions if interference occurs is David R. Schultz at (314)705-6051 (or) Michael G. Neff at (636)248-2070.
