Dear Mr. Holman:

Pursuant to Condition 5 of the Special Temporary Authority ("STA") granted to The Boeing Company ("Boeing") on September 12, 2002 (Call Sign WC2XVE, File No. 0334-EX-ST-2002), Eutelsat SA ("Eutelsat") hereby certifies that it has notified all operators of co-frequency satellites within ± 6 degrees longitude of each of Eutelsat Atlantic Bird 2 (located at 8 degrees WL) and Eutelsat II-F4 (now located at 12.25 degrees WL) that these Eutelsat satellites are authorized points of communication for certain aircraft earth stations that will test and demonstrate Connexion by Boeing two-way aeronautical mobile satellite services. Eutelsat has also provided these operators points of contact within Eutelsat and Boeing for the purpose of resolving any complaints of harmful interference, which the parties must resolve by adjusting or ceasing the operations authorized by the STA.
