Message:

In response to your questions:

1. The point of contact is Matt Volpe (760) 504-8675
2. The GPS re-radiator will only be used indoors.
3. The purpose of this experiment is to test portable radios with built-in GPS receiver systems. The test is conducted in an indoor environment with multiple GPS receivers.
4. The erp is -81 dbm. I will also add that to the application.

Thank you
