Subject: Request for Info - File # 0374-EX-RR-2016

---

Message:

Additional Information:

The civilian company is The Boeing Company.

See attached for the operations and what are we doing with these frequencies.

The tests are performed on the ground only. No Airborne.

This license has been in place since 2007 and is only used about 1-2 times a year at the most.

I am not sure what is expected for a response to "coordinator"?

Thanks

Joe Thorsheim
