Q1.

Please provide a "Stop Buzzer" for the intended operations.

A1.

There are phones at the Range but it will only be staffed when we are testing, no full time resident. Of course that also means that if we are operating someone will be there. These contact numbers can be used:

Auburn Antenna Range ☐253-351-6672

Jim Daniels (Range Focal)☐206-662-4842

Rob Steinle (EME Lead)☐206-662-4836

Nathan Ahn (Manager)☐206-662-4841
