Subject: FCC file number 0478-EX-PL-2007

Message:

As we discussed on the telephone, our test program is currently an Independent Research and Development project. Consequently we do not have any government sponsorship for operations in the 350 - 399 MHz band, and therefore no direct point of coordination within the DoD. We therefore request that you forward our application to the NTIA for resolution. Thank you for your consideration.

Sincerely,
Ron Center
