~~~~~

This e-mail is your AFTRCC coordination.

The coordination includes this header information, DOD Area Frequency Coordinator comments, and AFTRCC comments. These messages must not be separated.

This recommendation is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that a recommended frequency is best suited to the applicant's purpose nor that the frequency is exclusive to the applicant. Flight Test frequencies are shared and may be subject to scheduling with other agencies.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives from any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

This coordination is not an authorization to operate. The FCC must grant the applicant authorization to transmit. A copy of this coordination must accompany your application to the FCC.

AFTRCC concurs and requests coordination for an FCC Experimental License. Details follow:

Usage: This request is in support of experimental radio station operations required to conduct Aircraft Shielding Effectiveness Testing.
This testing is part of the HIRF testing that is required for aircraft certification. The test involves transmitting a stepped emission outside the aircraft while monitoring the received signal inside the aircraft.

Applicant:
The Boeing Company
P.O. Box 3707
Seattle, WA 98124-2207
POC: Mr. Ronald E. Center 206-544-6044

Frequencies: 1435-1525 MHz, 2310-2320 MHz and 2369-2390 MHz

Emission: 1K00N0N

Power: 0.002 Watt (average), 200 Watts (peak)

Station Class: MOEC

Areas of operation: 20 MIRAD (32.4 kM Rad) of
Glasgow, MT 48-25-07N / 106/31/43W

Dates of operation: May 1, 2010 through November 30, 2010

AFTRCC recommendations: Testing must be coordinated with local flight test operations to ensure that there is no conflict in operations.

Please comment via e-mail reply stating concurrence, non-concurrence, scheduling requirements or recommendations.
