1.9 GHz ANALOG MICROWAVE SYSTEM

Original PCN Dated 03/28/2006

Previous Renewal Dated 03/28/2006

Current Renewal Dated 09/20/2006

Coordination data for the above referenced microwave route was forwarded to the existing licensees and applicants whose facilities could be affected on September 20, 2006.

Previously, prior coordination including notification and response was completed for this system and there were no unresolved interference objections.

The following carriers or their designated coordination agents were notified, and there are no unresolved interference objections.
