DISMISSED-WITHOUT PREJUDICE

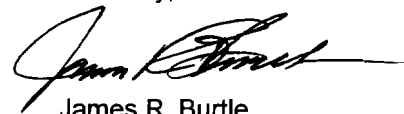

Dear Bob Douglass,

This refers to application, File No. 0726-EX-ST-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA objects to the this request, on behalf of the Boeing Company, since this band is allocated for Aeronautical Radionavigation and the experimental video telemetry transmitter needs to be developed in a telemetry band, above 1400 MHZ, that will not interfere with federal safety of life operations.

Responses to this correspondence must contain the Reference number : 5220

Sincerely,
