

From: Colin Thornsberry

To: Leann Nguyen

Date: October 28, 2014

Subject: FCC File# 0741-EX-PL-2014

Message:

Ms. Nguyen,

A revised technical description that shows that we are applying for a regular OET Experimental License and not a STA license has been attached to the original application. Please use this revised technical description and not the one originally submitted. Please let me know if you have any additional questions or concerns.

Thank you!

Very Respectfully,
Colin R. Thornsberry
