BOEING

Subject: Request for Renewal of an Experimental License
Reference: FCC Call Sign KG2XKR, FCC File No. 1578-EX-R-92

Dear Mr. Wright:

We are requesting a renewal of the Experimental Radio License KG2XKR. Our application for renewal of this license is for the T/CAS Ramp Tester which is required to continue initial and follow on certification of the aircraft as defined in the FAA Advisory Circular 20-131.

Should you have any questions or need additional information, please contact Michael Eastman at (206) 657-6715 or FAX (206) 657-6900.

T. J. Lange
Frequency Manager
