Subject: ITU Cost Recovery Declaration for the TJ REVERB Satellite Network
Operating in Non-geostationary Orbit in the Non-planned Frequency Bands,
FCC Application File No. 0950-EX-CN-2018

Dear Ms. Dortch,

The Thomas Jefferson High School Partnership Fund Inc. ("TJHSPF") is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees are charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU.

TJHSPF hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the TJ REVERB satellite network, although we understand that designation as "amateur" (as in this case) may not result in the imposition of such fees.

Please address all correspondence related to the TJ REVERB satellite network to the following point of contact:
