Subject: Request for moving out start date of referenced STA.

I am submitting this a request to move out the start date of my STA referenced above. The reason I require this slide in our schedule is due to the DERECHO major storm that hit the Midwest this past week. Two of our team members incurred significant damage to their property due to the 115mph winds and rain.

The ONLY change to our STA is the movement of the start date to September 15, 2020 with an expiration 30 days later on October 15, 2020.

This submittal to make this change is:

CFM: EL680833 STA File Number: 1274-EX-ST-2020

Thank you for your consideration in this matter.
