DISMISSED-WITHOUT PREJUDICE

Dear Duane Kurtin,

This refers to application, File No. 0250-EX-RR-2011, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Please re-submit a new application for the experimental radio station authorization using the form 442. The experiment licensing application has been expired with the National Telecommunication and Information Administration. The following frequencies: 226 MHz, 232 MHz, 362 MHz and 374 MHz are used for military purposes and they are required to coordinate with Military Assignment Group (MAG). Please include the MAG coordination as an exhibit along with a narrative statement describing the government project, agency, contract number and a military point-of-contact.

Responses to this correspondence must contain the Reference number : 14554

Sincerely,

James R. Burt
Chief
Experimental Licensing Branch
