Subject: Request for Info - File #0307-EX-PL-2007

Message:

There are no frequency, emission and bandwidth data present in the application. Also, you have submitted an exhibit that is marked confidential. Identify the parts of the application that you want withheld from public inspection, separate them out from anything that should be available to the public and submit a justification for the confidentiality request. Submit an exhibit that supplies the information in an item-by-item summary of subparts 1-9 of FCC rule 0.459(b).

Return to our electronic filing system and use the "Amend/Complete Application" filing option to enter these data. You can use Parts 2.201 and 2.202 of the FCC's rules for guidance on emission and bandwidth. Use the "Add Attachments" link to submit your confidentiality justification.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 22, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
