Date: July 21, 2010

Subject: FCC file number 0367-EX-ST-2010

---

Message:

Item 1: The number of units was a typo and should have been 10 units.

Item 2 I provided an attachment to the filing which was the AFTRCC documents in PDF format related to this filing. I received an ammended AFTRCC document today and will attach the document to the current filing correcting an incorrect ICN number in their original document.
