FAX: 313-414-6660
FROM: Jim Bauer

Carl,

Please review the attached application, as
we discussed earlier today. I received
the geographical coordinates from our
facilities manager in Arizona, but he doesn't
know if they are NAD 27 or 83 datum.
Also, I'm not certain how to answer
Question 14 (Station identification). Does
this apply to a mobile radar unit?

Thanks for your help.

~ Jim
