

Exhibit 2

Prior Related License Approvals

Narrative Statement: The transmitting equipment in this application has been previously approved under License File Number 0275-EX-PL-2006 and 0206-EX-RR-2008. For this license application, the Authorized Power will be 2W (as opposed to 100W in the previous license grants) and all transmitting equipment will be ground-based (as opposed to airborne in the previous license grants).
