

TRELLISWARE TECHNOLOGIES
REQUEST FOR SPECIAL
TEMPORARY AUTHORITY
FILE NO. 0735-EX-ST-2020
EXHIBIT TWO
Page 1 of 1

Under Contract No. H92222-17-D-0024 between TrellisWare Technologies Inc. (TWT) and HQ USSOCOM SOF AT&L-KI, TWT plans to deliver updated Software (SW). A key feature of this updated SW release is Long Range which requires air to ground testing, substantiating the need for a license to radiate from air to ground to facilitate verification and validation of this added feature.
