

Trimble Inc.
Application for Renewal of Experimental Authorization
FCC Form 405
Call Sign WO2XXI

REQUEST FOR RENEWAL

By the associated FCC Form 405, Trimble Inc. ("Trimble") requests renewal of its experimental authorization under call sign WO2XXI for one year. The MAG reference number for the renewal application is MAG 26-009, and the MAG point of contact is as follows:

Thomas Snead
Chief, Spectrum Support Branch
HAF A39S, Air Force Spectrum Management Office
Phone: 301.225.3744
Email: Thomas.d.snead.civ@mail.smil.mil

Trimble will continue its operations consistent with the conditions listed on the authorization.

Should there be any questions regarding this application, the Commission is asked to contact Eric Krantz by phone at 408-481-8559 or by email at eric_krantz@trimble.com.
