Good day,

As provided in the previous correspondence, the filing fee was submitted for this renewal application. At your request, this payment was confirmed again today by Gail Glasser, Financial Management Specialist (202-418-0578), who asked that OET contact her office should there continue to be an issue with correctly associating the fee payment in the amount of \$70.00 (Agency Tracker ID: PGC3190546) with this application.

Regarding the email address for Eric Krantz, as noted in your email today, it is a reliable email.

Thank you.
