Re: Triton Network Systems, Inc.
File No. 6213-EX-PL-1998

Dear Ms. Salas:

Triton Network Systems, Inc. ("Triton") hereby amends its above-referenced pending application for experimental radio authorization, submitted on July 15, 1998. Attached find a revised set of "Particulars of Operation" (Item 4, Page 2) and revised information regarding the directional antenna (Item 6, Page 3) on FCC Form 442, which replaces the information submitted on the original application. All other information in the original application remains the same.

Please direct any questions that you may have with regard to this matter to Joseph A. Godles, Esq., at (202) 429-4900.

Respectfully submitted,

Michael A. Clark
Vice-President of Engineering
Triton Network Systems, Inc.

cc: Mr. Carl Huie, OET
