TO WHOM IT MAY CONCERN:

TRUACCESS NETWORKS STA EXPERIMENTAL LICENSE APPLICATION

This is to certify that:

TruAccess Networks provides wireless technology and solutions.

The experimentation related to the STA will be conducted in a controlled environment demonstrating a set of use cases.

TruAccess Networks has extensive experience in wireless technology and implementations.

For the above reasons, I believe that TruAccess Networks meets the eligibility criteria for a Special Temporary Authority experimental license as set forth in the commission rules.

Sincerely,
