Mr. Ghaffari,

Hello, in reference to bellow, our previous license only allowed us to assemble and test with in our confinements (SOTECH- Annapolis, Junction, MD). With the proper coordination as per "Part 27", we would like to test our equipment in the selected areas as well as provide demonstrations. I hope this answers your question. What is the average time it would take for approval? Thank you for your time.

Respectively,

Stan Hubbard
