

Amendments to Special Temporary Authority Application for Union Switch & Signal Inc.

4. Please explain in the area below why an STA is necessary:

When Union Switch & Signal Inc. originally applied for the experimental license, it had plans to develop the technology within the initial six-month timeframe. However, due to unforeseen delays, it was unable to develop its equipment. Now Union Switch & Signal now has firm plans to conduct tests in February and will therefore require a six-month STA.

7. Operation Start Date: Operation End Date:

1/10/2000
