H. Franklin Wright, Chief
 Frequency Liaison Branch
 Spectrum Engineering Division
 Office of Engineering and Technology
 Federal Communications Commission
 Washington, D. C. 20554

Dear Mr. Wright:

On behalf of United Technologies Automotive, Inc., we are transmitting herewith its application for authorization of a new Experimental Radio Service station for operation on the frequency 315.0 MHz within the Continental United States.

In accord with Section 1.12 of the Commission's Rules of Practice and Procedure, please direct to us, as attorneys for the applicant, any notice or written communication pertaining to this filing; and if any communication should be sent directly to the applicant, please provide us with a copy.

Very truly yours,

Raymond A. Kowalski / *Em*
